

RESONANT ENERGY

Positive States of Being

If accessing a resonant energy the person should focus on the relevant item by meditation or visualisation and allow their whole being to vibrate with the energy that they need (Good vibes). If clearing blockages to resonant energy, barriers to the energy can be explored and removed until the image stays stable and vibrant for a few minutes and they feel the good vibrations.

Perfect Truth	To be able to step outside perceived personal beliefs and work with the pure essence of Truth
All Sufficiency	When working for the higher good, your needs will always be met
